

## Make a splash...READ!

This year's 2010 Summer Reading Program will prove to be a big "splash" for those children who read this summer. The "incoming" First, Second, Third and Fourth graders who read 250, 400 or 600 minutes over the summer will be invited to attend the Goodfield and Congerville Elementary Schools' Summer Reading Party on Friday afternoon, September 17<sup>th</sup>. All students will be invited to hear storyteller/author, Craig Pierce, who has written stories about dogs! After that, those children (and kindergarteners) who read 250 minutes or more will get a frozen treat. Children who read 400 minutes or more will get a frozen treat AND will get to throw a water balloon at a "target". Children who read 600 minutes or more will get a frozen treat AND throw a water balloon AND win a prize to take home!

I hope this Summer Reading incentive will keep children reading through the vacation months so that they return to school refreshed, excited, and ready to pick up where they left off.

Parents-All you have to do is keep track of the time your child spends reading this summer on the enclosed chart. You may count the time reading books for the public library's summer reading program as well.

**Please turn in your chart by Friday, September 3<sup>rd</sup> along with a parent signature.**

Thank you!
